## About Me

My name is Bianca Anguiano. I am 19 years old and pursuing a business management degree with a minor in Human Resources. I don't know what career I want to pursue. However, I plan to run a company one day, such as a hotel, club, or animal shelter. I plan to pursue an MBA at UNR, as it's been a dream of mine to get a master's degree.

I chose UNR because the campus is so pretty and small compared to other colleges. It's also a bonus that I love the color blue. The minute I toured UNR, I knew this was the college for me, despite having better opportunities.
